

Publications by Dr. Mark Wernsdorfer prior to his work at Fraunhofer IMW

YEAR	TITLE/AUTHOR	DOCUMENT TYPE
2020	<u>Improved patient safety through a clinical decision support system in laboratory medicine</u> Eckelt, Felix; Remmler, Johannes; Wernsdorfer, Mark et al.	Journal article
2019	<u>Kompetenzzentrum Denkmalwissenschaften und Denkmaltechnologien 2016–2018</u> Arera-Rütenik, Tobias; Basse, Eva; Wernsdorfer, Mark et al.	Book
2019	<u>Symbol Grounding as the Generation of Mental Representations</u> Wernsdorfer, Mark	Book
2018	<u>A Phenomenologically Justifiable Simulation of Mental Modeling</u> Wernsdorfer, Mark	Book contribution
2018	<u>A Time-critical Simulation of Language Comprehension</u> Wernsdorfer, Mark	Conference contribution
2018	<u>How Failure Facilitates Success</u> Wernsdorfer, Mark	Book chapter
2013	<u>Human Behavior Recognition Technologies: Intelligent Applications for Monitoring and Security</u> Wernsdorfer, Mark; Schmid, Ute	Book chapter
2012	<u>Building a Hierarchy of Functional Representations for Domain-Independent Reinforcement Learning in Non-Markovian Environments</u> Wernsdorfer, Mark	Conference contribution
2012	Functional Grounding of Symbolic Representations in Non-Markovian Reinforcing Environments Wernsdorfer, Mark	Conference contribution
